Emily Gravett was born in Brighton. She left school with few qualifications and spent 8 years living on the road (in a variety of vehicles including a truck, caravan and RAF petrol bus called Toby Diesel) before settling back in Brighton and getting a place on the BA(Hons) Illustration course at Brighton University. Her first picture book WOLVES was published in August 2005 to great acclaim, winning the CILIP Kate Greenaway Medal and a clutch of other awards it marked the beginning of a stellar career creating extraordinary books for children. Emily has also won the Best Emerging Illustrator Award at the Booktrust Early Years Awards for MONKEY AND ME and the bronze award in the 6-8 age category at the Nestle Children's Book Prize for LITTLE MOUSE'S BIG BOOK OF FEARS. In 2008 Emily was awarded the rare honour of a second CILIP Kate Greenaway Medal for LITTLE MOUSE'S BIG BOOK OF FEARS.Emily lives in Brighton with her family and their dog, Dilys.Follow her on Instagram emily_gravett Table of Contents More books in this series: Classic Board Books You may also like: Thriller and Mystery Staff Picks The parents' guide to what's in this book. Positive Messages Not present Violence & Scariness Not present Drinking, Drugs & Smoking Not present Parents need to know that this simple book contains only five inoffensive words moved around in clever ways. There aren't any reviews yet. Be the first to review this title. One bear, three pieces of fruit, and the all-important comma get shuffled about each page to create new meanings. It's hard to imagine that a book using only five words – four of which are in the title -- could be so inviting. But as the author plays with words, phrasing, and illustrations, you'll be drawn in. Unless eating fruit can be called a plot, you won't find one here. It's the softly brushed watercolor illustrations that really stand out. The bear is suitably comfy and kind; the fruit looks ripe from the fruit bowl at a friendly grocery. Lots of white space adds a soothing quality to the wordplay, making it a good choice for settling-down times. Families can talk about how these words are the same but somehow change meanings. How do the pictures help show the different meanings? How do the pauses from the storyteller change the meaning? What other books do you like that play with words?
